

2017 Regional Training Schedule

The purpose of *employee* training is to provide information about how substance abuse impacts the workplace, the effects of enabling, and requirements of the U.S. Department of Transportation's drug and alcohol testing program. The *supervisor* session provides training to recognize signs and symptoms of substance abuse, the reasonable suspicion documentation process, how to initiate conversations with employees in a positive manner, as well as explains the employer's role in the DOT testing program.

To register staff for a session (see below), please call 785-291-9126 or e-mail training@tmhcservices.com with training location/date, names of attendees and which session they'll attend—employee or supervisor. Pre-registration is required for all training with a minimum of 10 attendees per session.

Hope to see you
in 2017!
